

Monday, March 23, 2020

Good morning! Welcome to Distance Learning for 2nd Grade! This packet contains all of your work for today along with links to online resources. Parents, please send me an email with a snapshot of completed work for the day for any work that has been handwritten. My number is (928) 716-0000. PLEASE do not hesitate to contact me if you have any questions as I am here to serve your family for your student's educational needs through this time. I am happy to work out any technology or educational issues that come up! We are all in this together!

Reading

ReadWorks-Assignment Who Wants a Spiny Snack? Comprehension Questions

Please go to www.readworks.org/Student

Class Code VBK6M4 Check your email for passwords.

Students have not used this before. Each day there will be a new story. Please have your child read this at least three times. It does have an audio component if your child is struggling. They may listen to the story, but it is important that they read it on their own at least two times. Click on vocabulary and review vocabulary words. They will then need to answer the comprehension questions. Please remind students to go back to the story to find their answers. This will automatically be sent to me.

Writing

ReadWorks Writing Assignment-Please log in to ReadWorks again and go to Article of the Day. Students are used to this routine using print articles and our Book of Knowledge format.

Please read through each article 2 times. They follow along during the first read aloud. During the second read aloud, they underline at least two interesting or important facts they would like to add to their Book of Knowledge. For this assignment, you may have your student type the facts online or you may have them write the two facts. If you have them write the facts, please send it via one email per day with all assignments for the day.

Here is the article for today:

Telephones: Then and Now

The telephone was invented many years ago. Long ago, all telephones were as big as a lunchbox. They had to stay on a table or wall. Telephones had only one purpose. They were used to speak to other people.

Today many people use cellular phones. Cellular phones can be smaller than your hand. They can be moved anywhere.

These phones can do many things. You can use them to send text messages. You can use them to take photographs. You can use them to play games. There is something else you can use cell phones to do. You can still use them to speak to other people!

Reading Log-Continue to read 20 minutes each day. I have opened up the ReadWorks library to allow for your child to have access to thousands of digital passages. They may also choose titles using their Epic account. They are familiar with logging in to Epic.

Spelling - Monday-Write spelling words 3 times each and/or do one activity on Spelling City. They do not have to do both.

www.spellingcity.com

Daily Math

Each day there will be a Daily Math Review for students to complete.

They have already learned this material, but may still need some help. Please feel free to help them if they are stuck. Complete Math Day 1. There may be an additional page to practice on some days as we get into a routine.

Week 19, Day 1

- ◆ 1. Use **one** of the following comparison symbols to solve the following problem: $>$, $=$, \neq $54 + 12$ _____ $33 + 35$
- ◆ 2. Which shape is 3D?
A. hexagon B. cube C. trapezoid D. circle
- ◆ 3. Subtract: $214 - 96 =$ _____
- ◆ 4. Which number is in the hundreds column in 529?
A. 5 B. 2 C. 9
- ◆ 5. Write the following number in words: 550 _____

Daily Grammar – They have used these before. They fold on the bold line and use the answer key to check their work after they are finished. It is a self-checking resource.

Name _____

 Circle the reflexive pronoun in each sentence.

Reflexive Pronouns
Self-check

♡♡♡♡♡♡♡♡♡♡♡♡♡♡♡♡♡♡♡♡♡♡♡♡♡♡♡♡♡♡♡♡♡♡♡♡♡♡

1. They were so happy with themselves.
2. My sister bought herself a new car.
3. I put the puzzle together all by myself.
4. The bird made itself a nest.
5. He taught himself to ride a bike.
6. Are you happy with yourself?

Fold on the Bold

If you got the answer right, put a ✓ in the box.
If you got the answer wrong, put a ✗ in the box.

1. themselves
2. herself
3. myself
4. itself
5. himself
6. yourself

Supplemental Online Programs (Please check your email for all passwords)

I strongly recommend having your child spend at least 30 minutes on each of these every day. Students have been working on these in class and should know what to do. I am going to give everyone their passwords in case anyone has forgotten.

iReady- Students use this program every day. iReady is adaptive and allows students to work at their ability level. This program does not only focus on math facts, but also mathematical concepts that your child needs to improve upon whether this be below, on, or above grade level. This must be accessed via Chrome. If on mobile, be sure to click desktop site.

<https://login.i-ready.com/>

Study Island – This website is aligned with our English Language Arts curriculum and offers lessons and assignments that I have selected for the students to practice.

<https://app.studyisland.com/cfw/login/>

Extra Practice (Optional):

MathFactsPro- This website gives students extra practice on their addition and subtraction math facts.

www.mathfactspro.com

Epic! Students have used this program every day this year. There are new assigned books in their mailboxes related to current standards. They can also look at the entire library. This website has a feature that only allows students to access during regular school hours (Monday-Friday). If you try to access outside those hours, you will get a message asking you to upgrade. This isn't necessary if they access during typical school hours.
